County Philatelic Auctions Sale 292 – with a Big Difference

This time YOU set the price – any REASONABLE offer could succeed.

Offer whatever you think the item is worth to you. There is no fixed percentage for acceptable offers – it depends on the item. Low offers are more likely to be accepted on lower value items. While they are all items we want to shift – don't expect a 1929 PUC £1 for £50!

This is a Postal Auction (Mail Bid Sale) - Bid from Anywhere

1260 lots of Great Britain and World Stamps - All Lots are Guaranteed.

NO Buyer's Premium - NO Card Charges - NO Problems

How to bid:

- You can submit offers through the website. It works like many other online retail sites, simply click on each item you're interested in, enter your maximum offer and add the items to your basket. The highest acceptable offer wins.
- When you are ready to review and submit your bids, **go to Basket (My Items) to review your bids. When you're happy, proceed to Checkout to submit your bid form.** You'll be asked for some shipping details, and you can add any special instructions at that point. You should receive a confirmation email, so you know we've received your offers and you've a record of what you've offered. **We'll be in touch 24-48 hours after the auction closes.** Our FAQs page may be of further help.
- If you prefer the old approach, you can still...
 - Email your offers to county@stampauctions.co.uk
 - Phone 01256 780191, Overseas +44 1256 780191 (**UK office hours please**)
- There is no live bidding.

No Buyer's Premium: the only extra is postage at the Royal Mail cost.

Offers must be received by 11.59am (UK time) on the Sale Day. After the sale ends, unsold lots can be purchased at the guide prices.

Symbols after the lot number indicate the type of item:
